## Alfa Laval's Capital Markets Day, November 13

Alfa Laval invites analysts, professional investors and media to its capital markets day, which will be held on November 13, at Clarion Hotel Copenhagen Airport (previously Hilton), Denmark. It will start at **10:30 a.m. CET** and end at approximately **16:30 CET**.

The morning session will include presentations by Tom Erixon, President and CEO, and Jan Allde, CFO. In the afternoon there will be parallel seminars, focusing on news and innovation concerning the offering in Energy, Food & Water and Marine. What are the advantages with the new platform for gasketed plate heat exchangers? For which marine products are connectivity solutions a relevant addition? In what way can an intelligent valve help make food processes more efficient? These are all questions we hope to be able to answer in the seminars.

After this, the divisional presidents; Susanne Pahlén-Åklundh, Nish Patel and Peter Leifland, will provide updates on their respective areas in Energy, Food & Water and Marine.

**How to sign up:** register on our website [www.alfalaval.com/investors](http://www.alfalaval.com/investors), November 1, the latest. Each person registering will receive an email as confirmation.
