### Alfa Laval has acquired Scanjet

**Alfa Laval has acquired Scanjet, a leading global supplier of tank cleaning equipment and solutions for marine, offshore and industrial applications. The acquisition will extend Alfa Laval's broad tanker offering, creating a more comprehensive product portfolio for cargo tanks.**

Scanjet's intelligent tank management solutions will be a valuable complement to Alfa Laval's sustainable marine offering as they reduce the water usage and energy consumption connected with tank cleaning. Adding Scanjet to Alfa Laval's portfolio will support customer efficiency at every stage of cargo handling.

Scanjet employs about 150 people and has global presence with factories in Sweden, Poland and Indonesia, and a turnover of about SEK 300 million.
