Alfa Laval CB brazed plate heat exchangers provide efficient heat transfer with a small footprint.

**Applications**
- HVAC heating and cooling
- Refrigeration
- Oil cooling
- Industrial heating and cooling

**Benefits**
- Compact
- Easy to install
- Self-cleaning
- Low level of service and maintenance is required
- All units are pressure and leak tested
- Gasket free

**Design**
The brazing material seals and holds the plates together at the contact points ensuring optimal heat transfer efficiency and pressure resistance. Using advanced design technologies and extensive verification guarantees the highest performance and longest possible service life.

Different pressure ratings are available for different needs.

The unit can be supplied with a refrigerant distribution system for optimal evaporator performance.

Based on standard components and a modular concept, each unit is custom-built to meet the specific requirements of each individual installation.

**Examples of connections**
- External thread
- Internal thread
- Soldering
- Welding
Technical Data

Standard materials

<table>
<thead>
<tr>
<th>Material</th>

</tbody>
</table>

Dimensions and weight

1. A measure (mm) \[13 + (2.31 \times n)\]
2. A measure (inches) \[0.51 + (0.09 \times n)\]
3. Weight (kg) \[1.2 + (0.11 \times n)\]
4. Weight (lb) \[2.65 + (0.24 \times n)\]

1. \(n\) = number of plates
2. Excluding connections

Design pressure and temperature

**CB30 – PED approval pressure/temperature graph**

**CB30 – UL approval pressure/temperature graph**

**CBP30 – PED approval pressure/temperature graph**

Designed for full vacuum.

Alfa Laval plate heat exchangers are available with a wide range of pressure vessel approvals. Please contact your Alfa Laval representative for more information.

**NOTE:** Values above are to be used as an indication. For exact values, please use the drawing generated by the Alfa Laval configurator or contact your local Alfa Laval representative.

**Marine Approvals**

CBM30 can be delivered with marine classification certificate (ABS, BV, CCS, ClassNK, DNV, GL, LR, RINA, RMRS).

Alfa Laval reserves the right to change specifications without prior notification.

How to contact Alfa Laval

Contact details for all countries are continually updated on our website. Please visit www.alfalaval.com to access the information direct.
